BISTRO AIX, JACKSONVILLE, FLORIDA

The menu changes four times a year at this restaurant where guests can watch the chefs at work in the exhibition kitchen. Located in the historic downtown district of Jacksonville, it features a brick interior, booths with window views, and tables with carved chairs, creating a French bistro-style atmosphere. Guests dining outdoors can relax in the arbor area, which provides a tranquil effect. The strikingly designed bar area is decorated in pastel yellows and greens and is highlighted by an onyx bar with lights behind it.
